

NAIM

NORTH AMERICA
INDIGENOUS MINISTRIES

June 2010

Dear Friend of NAIM,

Thank you for remembering NAIM in your giving this past month. We are grateful.

You live by faith. Missionaries are not the only people who live by faith, not by a long shot. If you didn't live by faith you would hang on to every penny that comes your way in case no more comes in tomorrow! Yet you gave.

My friends who have supported our ministry over the years amaze me. They live by faith every bit as much as we do as missionaries. Among them are a commercial fisherman and a rancher. If anybody lives by faith those folks do!

Weather, drought and rain, insects, market fluctuations, accidents, changing government regulations – there are a lot of unknowns about the future if you farm or commercial fish or make a living almost any way on planet earth.

Yet you gave.

What a tremendous, simple proof of your faith that God will keep supplying tomorrow. You are a hero to missionaries.

Thank you,
