September 2026

"Therefore, since we also have such a great cloud of witnesses surrounding us, let's rid ourselves of every obstacle and the sin which so easily entangles us, and let's run with endurance the race that is set before us, looking only at Jesus, the originator and perfecter of the faith, who for the joy set before Him endured the cross, despising the shame, and has sat down at the right hand of the throne of God." Hebrews 12:1-2

I was recently asked to lead a devotional at a conference about this passage. I am unable to run physically but with the Lord as my focus I can run the race spiritually. It is a great reminder and encouragement in times of turmoil and busyness to focus on what really matters. I am reminded, as I get ready for many mission conferences and churches, that the end goal is to glorify God. And so, I shall do my best to run the race and glorify God in all that I do. Our enemy tries to put obstacles in my path, exhausting schedules, misinformation, travel delays, people being unable to attend events to name a few. However, if Jesus can endure the cross for our sake, who am I to shy away from the strain of the race to the Lord? Please join me in prayer as I go out and recruit for NAIM this season.

Stephanie, David and I have enjoyed this whirlwind of a summer. It always seems to go by too quickly, and before you know it, fall is upon us. We had the joy of being able to get together with some family for a week which was wonderful. David recently started playing a game with me, where I pretend to sleep and he lies down and does the same. I then shout “Awake!” and we both jump up and he giggles. Having my family has brought so much joy into my life and I praise the Lord for them. Please pray for me that I would be bold as I try and raise more support so I can reach my end goal of working full time with NAIM. I am currently reaching out to some local churches and individuals to try and reach full support levels. May God bless you and keep you as we all run the race that the Lord has set before us.
