Greetings from the Naknakim family!

We wanted to share a word of encouragement with the prayer that has happened to help heal our native people because there has been a dark time of death. There is hope that is being planted for those that are looking to the Lord for strength.

In these tough times we need to not only have faith but look to the word of God for wisdom so that we can make the right adjustments in our lives.

2 Timothy 3:16-17

All Scripture is God-breathed and is useful for teaching, rebuking, correcting and training in righteousness, so that the servant of God may be thoroughly equipped for every good work.

Even if we already walk with the Lord we need to make room for growth in our lives when the scripture mentions rebuking it makes us sometimes uncomfortable. We need to change our hearts away from the ways of the world to see what the Lord has for us. It is by gaining the wisdom through the word can the Holy Spirit guide our daily lives.

We appreciate your support for the ministry we are involved in and do here in Campbell River, British Columbia. Please continue to pray for our people in the area of addictions, depression and suicide. We thank you for those who pray because those prayers can break through amen.

Thank you,

From Brody and Alison Naknakim
