Bryce Ministry Update

February 2023

Greetings from the Bryces,

We'd like to feature two very effective parts of the ministry we are in. I'm sure you are familiar with these. First, the annual, Would Jesus Eat Frybread conference and second, the Reverse Mission trips we have taken for the past 25 years to Mexico. **The overall response to these has been phenomenal.**

This is a photo of those attending the Would Jesus Eat Frybread conference in Oklahoma last November. **A highlight for us is how that time has fostered ongoing opportunities to grow closer to a number of Native students.** Terry Wildman the main speaker set the stage for meaningful gospel conversations that continue today.

We feature these in this communication because they are so effective. We covet your prayers for both. Our daily engagement with the Native students is solid and your prayers for favor with the students and faculty is remarkably solid. Thanks for praying. **The two effective aspects of our ministry mentioned above are solid but the Reverse Mission trip is at a cross road.**

The area and ministry center we have partnered with on the Baja has changed in many healthy ways. Many of the services vital in this area and so effectively served by the Foundation For His Ministry are no longer needed. They are being met by services in the area and an improved economy. **So, like we did back in 1995 when we jumped in an old van and went to Mexico, we're off to Panama to see if Reverse Mission trips could flourish there.**

Mike and July Kelly, the couple we minister with here in the Nations ministry here, have a son and his wife working in a ministry with the indigenous tribes in Panama. Debbie and I are making a trip to Panama in March to look at this possibility. **Please pray for this trip and that we would have God's wisdom and leading as we move into this.**

We are well and enjoying this ministry.

All blessings,

Tim & Debbie Bryce
